

SUMMER ROADTRIP CHECKLIST

A list of steps that people can take to make their summer travels more hassle-free and enjoyable, while saving money and helping the environment.

Saving gas saves you money and helps the environment.

- Refuel when it's cool.
- Don't top off your tank.
- Don't let your car idle.
- Don't sit in traffic! Travel at times other than rush hour, if possible.
- Avoid lines at drive-thrus.
- Avoid jackrabbit starts and lead-foot stops.
- Try sharing a ride or taking public transportation when you can.

Treat your car well and it will take care of you and the air.

- Keep your tires inflated to the recommended level.
- Get regular tune-ups.
- Make sure your gas cap closes tightly – replace it if it's old.
- Keep your air filter clean.
- Change the oil regularly, as recommended in your owner's manual.
- Make sure your car's catalytic converter is hooked up and working properly.
